

## LEGAL NOTICE

The deadline to submit applications to amend the Sultan Comprehensive Plan is April 1, 2011. Applications must be submitted to the Community Development (Planning) Department no later than 4:00 pm Friday, April 1, 2011 at Sultan City Hall located at 319 Main Street in Sultan. Application forms are available at City Hall and by calling 360-793-2231. The Community Development Department offers a complimentary consultation to assist in understanding the process and completing the application.

Public notice of this opportunity and deadline was previously provided on March 9, 2011.

This notice provides and additional public notice action.

The state Growth Management Act allows local jurisdictions to review and update their Comprehensive Plan text and maps no more than once each year. The Sultan Municipal Code Chapter 16.134.070 D. establishes the schedule starting with filing of applications by April 1<sup>st</sup> of each year.

The annual review process allows property owners and others to request changes to a property's Comprehensive Plan and Zoning Designations. These changes could allow property owners to use their property for activities not currently permitted under its existing plan designation. When a Comprehensive Plan designation change is applied for, a zone change is completed during the same process. The annual review process is also the opportunity to make changes to the goals and policies that guide Sultan's future growth and development.

Contact Community Development Director, Bob Martin at 360-793-2231 for more information.
