Dear Mr. Morgan,

Your application which was submitted to the City of Sultan on November 18, 2021, for upgrades to the existing Wastewater Treatment Facility has been determined **COMPLETE** as of **December 13th 2021**. A complete application is not an approved application. A permit application is complete when it meets the submission requirements outlined in the Sultan Municipal Code. The City's determination of completeness does not preclude the city from requesting revisions, additional information, or studies if new information is required, corrections are needed, or where there are substantial changes in the proposed action.

A decision will be made within 90 days of the date of completeness or additional information will be requested. If you have any questions and/or wish to discuss any portion of the enclosure of your application, please feel free to contact Mark Bond at 360.454.3904 or Mark.Bond@ci.sultan.wa.us or Andy Galuska at 360.793.1311 or andy.galuska@ci.sultan.wa.us.
